Nancy was our friend for the last 38 years. Ken & I stood up in Richard & Nancy's wedding. A true friend to us throughout the years. No matter how many miles we had between us she was always there for us. Her prayers were consistent, every morning & every evening. When ever we traveled she reminded me that she put the "White LIGHT" around us. A natural born self taught artist. SHE had a GOD given talent. HER creativity for all mediums was award winning. We will miss you dear NANCY. OUR sincere love and condolences to Richard and the entire family.

Nancy was a dear friend for many years and her family was part of mine. We had a lot of fun together even though we were separated by many miles; it never stopped us. She adored Richard and he her. They never had to speak; you could see it in their eyes; a true love that was very rare to see. Richard, her children, grandchildren, great grandchildren and fur babies were the center of her heart. They gave her the strength she needed when she was at her lowest point and a lot of bragging rights too. I have so many great memories of our times together which I will cherish forever. Rest in peace my dear friend. Until we meet again. xo
