Beth lives next door to my parents in marine city for almost 10 years. She was a sweet, kind, woman who had a special friendship with my sister Georgia. Learning of her passing has hit our entire family very hard. Our souls are so broken with the news of Bethie. I'm very grateful for her friendship to us all. I hope she is at peace with her husband Jack & her Brae boy. Thank you for always thinking of us Beth. Say hello to my Momma please. I'm sure she is happy to see you.

Beth will always hold a special place in not only mine but my family's hearts. I met her when I moved to marine city in 2006. We spent alot of time together over the years. Not so much in the recent . I'm truly grateful for her coming into my life. I thought I was the one helping her. But really she has no idea how much she helped me. She was the kindess lady I've ever met. She was honestly one of my best friends growing up There are so many Saturday morning breakfast dates I could tell you about. Or plan out days where I would sit on her couch and talk to her. Im so happy you get to be reunited with your husband and all those fur babys. You truly we're one of a kind . I love you Bethy

God truly blessed us when He brought Beth into our lives. We love her very much and miss her. We grew close in the year we had the chance to get to know her. Words truly cannot express my feelings. You are home now Beth with Jesus, Jack, Brae Boy, and your loved ones in Heaven. You mean so much to me and I will always remember and love you. Your spunk, spirit, love, and kindness will never be forgotten. I will hold you close in my heart. Dance and sing with the angels. Thank you for being one of the best friends I ever had. Love and miss you much.

I am so heart broken to learn of Beths passing. I met Beth when I was 8 years old (33 now) and I leased Chex from her and she gave him to me on my 16th Birthday. Beth enriched my childhood. After my Mom passed I couldnt get ahold of her. Im so sad to hear of her passing. I will forever cherish what she did for me in my childhood years.
