Marty Wiebelhaus lit a candle in honor of Thomas.

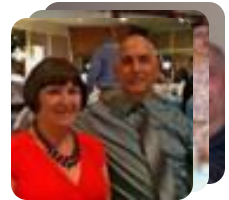

I have great memories of hours and hours learning to play guitar with my Uncle Tom. He was the reason my sister Claire and I were able to attend the Beatles concert in 1966. He was a great guy and loved his family. He will be missed by many. Marty Wiebelhaus

Linda and I will always remember the wonderful times we had together throughout the years. One memory which comes to mind goes back some 46 years ago when Linda, Tom and I were driving up to Oscoda to be with Patty for the weekend at her parents home and Tom who was sitting in the back seat suddenly reached in his pocket and showed us the engagement ring he had bought for Patty. Tom was so excited and could hardly wait for us to get to the lake and ask the love of his life to marry him!!! Tom, I will miss our talks about life, music and musicians. Rest in peace our wonderful friend we love you! Chuck and Linda
