Kenneth R. Eisen

JAN 18, 1960 - MAR 12, 2019

Kenneth R. Eisen, age 59, of China Township, went to heaven peacefully on March 12, 2019 after losing his four month battle with pancreatic cancer. His wife and kids were there to hold his hands and pray as he took his final breath and entered the gates of heaven.

He married his high school sweetheart, Nancy Simons, on June 3, 1983. He was a true family man and would do anything for anyone. Ken was a hard worker, from a roughneck in the oilfields, Cargill Salt, and his final job that he truly loved, Local 324 Operating Engineers. He worked as a foreman/superintendent at Barton Malow for 20 years and had a significant role with wind turbine construction all around Michigan. Ken was an avid outdoorsman and loved hunting, fishing, and spending time in the woods. Ken had a huge heart and always put his family before himself. He is survived by his wife of 35 years, Nancy Eisen; son, Bobby (Lindsay) Eisen; daughter, Taylor (Aaron) May; future granddaughter, Ella Marion May; father, George Eisen; brother, Keith (Mary Jo) Eisen and many nephews, nieces, cousins, aunts, uncles and friends.

He is preceded in death by his mother, Doris Eisen and father and mother-in-law, Al and Marion Simons.

Funeral mass will be Friday, March 15th, at 11:00 a.m. at St. Mary's Catholic Church, St. Clair. Interment will be in St. Mary's Cemetery. Visiting hours are Thursday 3:00 to 8:00 p.m. at Young Funeral Home, China Twp. and Friday 10:30 to 11:00 a.m. at church prior to mass.

Memorials may be made to the wishes of the family. To leave a message of comfort visit www.youngcolonial.com

Dear Nancy & Family We are so very sorry to hear of Ken's passing. We would always see him working in the yard as we drove by. We first met when he would deliver water for our pool some 20 years ago. May his memories bring you peace.

My deepest sympathy to the Eisen family on your loss of Ken, a very wonderful man who had a heart of gold. His passing saddens me greatly, as I'm sure it does with everyone who knew him. Ken always had a great sense of humor, with a huge laugh that matched it, but also was a no-nonsense man who stood up for what he believed and backed it up with a huge amount of honesty, integrity and character.. I worked with Ken at the salt plant where he took my place in the department where the salt is made, as I moved to another job within the plant. Although I have trained dozens of men on that job over the years I was on it, when I trained Ken to take my place, I found him to be very intelligent, a hard-charger and an extremely hard worker who wasn't afraid to get dirty, always giving 120% to his job. .He took on that job with extreme dedication and a high level of devotion. Ken's performance of that job made me very proud. When I ran into Kenny at Neiman's several years ago I let him know I was even prouder of him for his making the difficult decision to leave the mundane safe and secure job at the plant and better himself with becoming a heavy equipment/crane operator. Very gutsy move for a guy with a young family, but then, Ken was always a brave and courageous man. He will be greatly missed.
