So many wonderful memories and times together! When I coached the ladies softball team, which was all family and their friends. Bill was my assistant coach . Sue was unhappy with the lack of playing time , and asked us to give her a chance to start & play the whole game ! So I agreed and started her ! She batted lead off , & got a hit every time! To the surprise of Bill & I . After the game I complement her , & she said (I told you so) ! I apologized , and never heard the end of it !!! These were every happy times ! It was the only time her , and many family ever got to play on team . Sue & all us had a great time together! Sorry to all the family for your loss ! It is a loss for me also . Let's hang on to all those wonderful memories. Amen 🙏❤️

Never Gone from Our Heart
You're gone from our eyes,our hands can no longer touch,but you remain deep withinthe hearts who love you so much.The sound of your voice;the laughter that brought smiles;the way you had in making thingsgood or bad, seem so worthwhile.Your family could always turn to you;on you they could depend.And you never knew a stranger,for to you, "all" were a friendThe loving lessons taught uswhen you were standing herelet's know you'll be beside usfor your spirit will always be near.Even now, with our hearts achingand the tears flowing in streams,you still reach out to comfort usand bless us with sweet dreams.We were blessed to have you here,and we know you're not alonefor our Father's wrapped you in loving armsas He's welcomed you back home.Today you whispered a quiet good byeleaving behind family and friendsand though we feel your loss, we knowsomeday, we'll meet again.Billy, Brandi, Sandi...I wrote this in memory of your Mother, my Friend. This is how I remember her...a beautiful lady who's first thoughts were for family and friends. She will be greatly missed and will remain forever in my heart. My prayers and condolences to each of you and may God's comforting arms hold you tightly in the years to come.
