She was not only my aunt but someone who always helped others no matter what. She was always there for her kids and grandkids. My aunt will be missed by many, but I will always miss talking to her when I just wanted to say hi. I loved how she kept in touch with me and my family no matter how far we lived. To a simple card or message was always special. She always went the extra mile to make you smile and laugh. I will cherish all the memories I had with her and just the simple conversations that we shared.

My deepest sympathy to you all. I worked with Sandy for quite a few years and she was an amazing cena. I knew that she did her job and that she did it well. I never had to worry about the residents when she was on my wing. She loved her residents and they loved her. She was an amazing person.

I have many memories of Sandy and I always looked as you as a strong mother figure. You always worked so hard and cared for everyone. I kinda thought wow what a woman raised her children and grandchildren and still remained strong. Loved our chats while waiting to head out for the night or just stopping by to say hello. I will miss your smiling face and funny comments you would say during our conversations. Prayers to the entire family I know that she will be surely missed 🍷

Where to start ... you were my neighborhood other mother. You made so many unforgettable memories happen for me with your children - so many fun moments. I will always remember you as being so kind to me and especially for always providing Ruffles, KoolAid and no bake cookies to us, Haha. Love you Sandy. ❤️ Rest in Peace Angel! Lynn F.
