We are going to miss Joe so much! He was a great person and a wonderful neighbor! John had such a great time working with him on various projects and we all enjoyed our driveway chats. The kids always loved going outside to talk to "Mr. Joe". They would go outside sometimes just to find him and talk to him. He had such a big heart and was always willing to help us out. We are all so saddened by his passing. He will be greatly missed!!

He had the two most adorable children I believe their names were Alicia and Thomas I hope they are aware of their fathers passing and are doing ok in this difficult time I noticed their names were not mentioned.

Hi Cindy..his mom is the sweetest person in the world, as was Joe. All I'm saying is that I followed HIS wishes. Only he and them know what happened, but I can tell you there was no relationship. So please don't fault me for honoring my husband.

Hi joan.. In regards to where have i been the last 13 years in my post i mention that i had moved. My late husband would also go over to the garage on carney drive, i guess it was the place to be 😊 this was my husband's father wasn't well in florida so we moved down here we've been down here 30 years almost. After we moved we stayed in touch with joe but as life happens people lose touch my late husband was more friends with him then me. I did go over quite often though to see his beautiful little girl and his wife at the time. My prayers go out to his mom she was always the sweetest lady! Have a lovely night
