"Andy" was a high school classmate of my mom and dad's at Holy Cross High School of 1949. They spoke highly of their friends and their time in high school. Andy was an important part of their lovely memories. The class of '49 I suspect was full of all kinds of personalities, but one thing I always heard about was the fondness of one another and the fun they had . I've posted some photos as a witness. As their memories booklet given by the juniors of Holy Cross to their senior class most appropriately says, "Nothing now is left but Majestic Memory-Longfellow " Susie, daughter of Bev and Irv Prudhomme
