Sending prayers and condolences to Joann's family and to our dear friend Wally. I am so sorry for your loss. I feel fortunate that my Mom and Dad had such awesome friends, and Joann was one of them. I will always remember her as a bright star that always seemed to find something to laugh about, and when she laughed, it would always make me laugh too! She was always so positive and passionate about life, her family, and her love of the water. I will remember her always. Love, Cathy Kukula

We are so sorry to hear about your loss of such a warm and lovely person. Joann's smile and infectious laughter never failed to light up the room. She was so much fun, and I will never forget all the good times we shared with her and Wally in Florida, here in Michigan, and on our vacations in Europe. I knew from the very first time that I met Joann that I'd love her, and that we'd be good friends.....she loved to shop as much as I did! Rest peacefully my "sister". Love, Mickie Kukula
