I feel honored that I got to spend my 49 years with you Gram. You were a very strong and special woman. As much as I miss seeing your face everyday? I know you are no longer in pain and are celebrate in heaven with all the family that went to early before you. Now it's time for you to be happy and pain free again. So until I make that trip up to see your smiling face I will always think of you, Love and miss you. Good bless you and may you rest in peace.
