Our condolences to the Kortzes on the passing of Margaret. What a kind and giving woman! She was the best "Grandma", not only to Kolin and Shaylynn, but to all of the children at St. Mary's School. This time of year our son always recalls the pumpkins that Dick and Margaret would grow to give each of the students, as well as the trailer filled with straw and brought to school for a Halloween treasure hunt for the students. Such good memories! She will truly be missed.

I just saw this obituary and am sorry to hear about Margaret. She and I were friends and graduated together. She was the nicest, sweetest person. I would like to express my sadness at Margaret's death. It's a shame we lose touch with people.
