I worked with Bob for many years at Detroit Edison Co. He was a good employee, and had a sense of humor. Just a good Guy

I miss Bob so very much. Bob was a mentor to me in so many ways. I'm an outside of the box entrepreneur and Bob was the solid, patient, happy and thoughtful father-like man that I have always admired. Unfortunately, I only spent a fraction of the time that I had hoped to with Bob. So much knowledge and guidance that I and others will never share. However, I feel so blessed to have shared the time that I did with him. Godspeed Bob, you will be forever loved

My best childhood friend, Bob's little sister, Diane, and I spent many hours at the farm with Bob & Janet - they hosted many teenage church gatherings and treated us kindly while we laughed and ate and learned about Jesus. We always knew we were welcome there. Diane and I made several trips to hang out at their home, playing their player piano and goofing around on their party line phone. Bob added many sweet memories to our lives and he will be sorely missed.
