Cheryl, Jim & Family - My heart goes out to you... I feel so blessed to have known Everett. Although he was quiet, his smile spoke volumes, and it lit up the room. The library will be an empty place without his visits. On the day Everett was born, God made sure that he picked parents and a family who would love him unconditionally and without reservation. He was so blessed to be loved by you... Heaven has welcomed another angel, another playmate, another kind and gentle soul. My prayers are with you during this heartbreaking time and in all the days to come. May the love of God bring you peace. Love, Diane

Mr. and Mrs. Du Hadway, I am heartbroken over your loss of Ev. He was one of my favorite students at Woodland. Feisty, funny and sweet with a heart made of gold. He endured so much in his short time here, but he did it with grace and a quiet dignity. Please accept my most sincere condolences. May God comfort and grant you peace in your time of grief. Everett was such a nice young man. Whenever I walked with him at Woodland he would hold my hand. My favorite thing about him would be his smile and his laugh. His laugh was contagious and would make me laugh. He will be missed.

Everett was such a loving young man. We will always remember his gentle heart and how he would hold our hands and have a little grin. Although his life was too short he gave and received a lot of love. Jim and Cheryl attended to his every need and were loving parents. Erin and Amber were wonderful sisters to him also. We are thinking of you during this difficult time. Love. Karen & Jacques.

What can I say about my boy. I am so sorry for your loss. At woodlands they use to say we were joined at the hips if I was in the halls at woodlands he was always with me. We were In Vicki Blackburn's room than. My favorite time with him was when we worked one on one together. Now he was your son so you know if he wanted to do something he would but if he didn't it would not happen. But for me it did. We would go for a walk around ten and I would have pictures of the teachers in the different rooms. I would show him the picture and he would go right that room. Some rooms we would stop and visit. He was one special boy. The last time I saw him was at Marta Jacob funeral. You have my sympathy and prayers for the both of you also. May he run and jump in heaven with the rest of the kids, JUDY Liva

Jim and Cheryl, so sorry to hear about Everett. My heart goes out to you and your family. My daughter Chelsea Wilczynski went to school with him before she passed away. I remember you bringing Everett to her funeral. I have a few pictures of the two of them on the piano and in a wagon. I'm sure she welcomed him with open arms when the angels took him to heaven. My thoughts and prays are with you and your family at this difficult time. Angie Wilczynski
