Rick, Sue, Cory, and Christy, Our hearts are saddened and heavy. We are thinking and praying for all of you for peace and comfort during these trying times. Although we never had the pleasure of meeting Lynnette, we know she was a wonderful, sweet, compassionate person because her great qualities are overflowing through her family. I know you will find comfort in the fact that she had shown you signs that she is in heaven, at peace, and with family. We are here for you all. Love Tom and JoAnna

We are so sorry for your loss. Lynnette was a kind, loving person. We enjoyed our many times together, especially when she & Bill would come to their cabin and we would get together for a game or two of euchre. She will be missed by many. With loving memories, Betty & Ken Eaton

My heart's broken. My son, John thought of Bill & Lynette like his adopted Grandparents. I remember when John & Cory somehow locked themselves in her pantry & she couldn't get the door unlocked (the boys were real young). She had to go across the road to another neighbor who got the door open much to the boys relief. Later Lynette & I had a good laugh as both boys insisted they weren't scared. I am going to miss her alot!

I will surely miss Lynnette. She always very sweet and pleasant when being seen at my office. She even laughed at my corny jokes. She loved talking about her family and always had kind words for all. God Bless Bill and all the Osterland family during this very hard time. Love, Lynnette's chiropractor, Dr. Tom Hanrahan and the entire staff at St. Clair Chiropractic Clinic.
