Dear Dale and family. We're so very sorry Donna was a beautiful Lady inside and out. We always had such a wonderful time together and so much to talk about. One of our favorite memories was when her and Dale came out to visit us in Oklahoma. We took Donna to the precious moments factory. She absolutely loved it and had the time of her life visiting all the different buildings and eating in the restaurant. Then shopping in the store where he displayed all of the precious moments figurines, and pictures, and other works of art. She enjoyed buying for her children and grandchildren. We had a wonderful time and made great memories. As much as we will miss her, we know that she is in a wonderful place now with her Lord.

I have know Donna over 60years. Back in the 50s she, Linda and Susan were my foster sisters.. they took me into their home and I loved living there. I made so many friends through them. And had so much fun. One of the best years of my life. I have tried to keep in touch all these years and have made some visits. My thoughts and prayers are with the family. Good bye sweet Donna, for now. Cathy Hoeft Forsythe
