We are former clients of Corbett and his father and just learned of his passing. Corbett was well trained by his father and went above and beyond all other electricians with his abilities and efficiency. They were a great team and will no doubt be missed by all of whom they made contact. Any project was always worth waiting for Corbett.

To the Martin Family. My name is Craig Feringa. I grew up on Wayburn in GPP and were neighbors of the Martin family. My family has, over the years, benefitted from Gary's service with all electrical matters. I was so sorry to learn about the passing of Corbett. He was recently to our home to install an outdoor garage light that I had attempted and failed miserably to do myself. My wife, Mary, was home when Corbett arrived and was so impressed with his kindness and abilities. Please accept our condolences and we hope our thoughts help bring some small bit of peace. The Martin family will always be part of my my life's history, and are always welcome in my home. (Craig Feringa and Mary Kravutske). I'm sure my brother Scott, and my sisters Nancy, Lisa and Alexis would have the same sentiments.
