I have so many fond memories of my grandmother. The many lunch dates with my sister, grandmother and I at Red Lobster. The circus events at her work she would take us too. Riding on the skateboard down the small hill when we would stay the night and eating as many french toast as we could. The joy, love and passion she and i have for musicals will continue on with my two boys and i am so grateful that they were able to get a chance to meet and get to know her.
