My condolences to Sid and all the family. I'm heartbroken that I can't be with you all and share memories. She was my pal and playmate all my childhood and during much of our transient adult lives. She treasured her children and their children, plus Sid and his family. She seemed to search out the greatest needs in medicine and look for a way to contribute. Hers was a life well lived. I miss you dearly, my cousin and friend. Eternal Peace. Dorothy Lawrence
