So many memories. Kit was our leader in years of cousin mischief and good times, and even as we became adults, we remained close. She was so helpful to my parents (her uncle and aunt) with remembrances over the years and significant assistance to Mom in preparing for their move to a condo in 1998 I remember how proud she was when she purchased her own place, and paid the mortgage off super-early! Love to Peg, Bill and Patrick - Joanne Fisher
