I met Pat through my brother Geoff Bulpitt years ago and found him to be such a friendly, fun, outgoing guy. He would usually be at any gatherings Geoff hosted over the years and he always greeted me with a smile and asked how I was. I became a first time Mom earlier this year and he made a point to send me a message wishing me a Happy Mother's Day which I thought was so thoughtful and kind. I hated to hear of his passing and am keeping his friends and family in my thoughts and prayers ❤️

Pat was a man of many words and many friends. It's frankly amazing how many people he stayed in touch with on a regular basis, and how many lives he touched in the process. He left this mortal coil far too soon, and we all collectively are the worse for his departure. My heart goes out to his family.

I had connected with Pat on FB and oh how he loved Atlanta sports. Most recent was excitement over the Atlanta Hawks. I will think of you Pat while watching the Hawks as they are in the playoffs. Pat also had a very kind side and over the years he sent me Mothers's Day well wishes. I will cherish these memories. I am so sorry and prayers for the Family and Friends. Before I met Patrick he was doing me favors; babysitting the boys so Suzan could fly to NY to be with me during our long distance love affair. This he did out of love for Suzan, several times over the course of a year. Patrick became my best friend, my only friend in GA. I have so many good memories of Patrick and I discussing the important issues of the day...South Park, Sunny, NFL, grilling, playing with the dogs and yukking it up till waayy too late. He always made me laugh, quick to empathize and compliment. I will miss him forever and will never forget him...he was a special one. Bill & Peggy...you done good, real good. I hadn't seen Pat or talked to him in about 2 years up until a month ago. We were commenting back and forth on the old book of face, and he told me to call him. I obliged, and our conversation took so many different turns, as we talked about all kinds of things.(family, sobriety, places, old faces, new faces, etc etc etc) It was literally like we hadn't missed a beat. when we finally hung up after an hour or so, my mouth and cheeks were sore from smiling and laughing during our entire conversation. He was such a laid back easy guy to talk to! Rest easy my friend.

Pat was always there for me when I needed a date. When I was the only one of my girlfriends not going to prom, Pat asked me and I excitingly accepted. Prom, weddings or just a friend to a party, Pat always put on that smile that had so much charm. He was good people and I have so much love for him. I will remember his laughter with a smile and his smile with a tear.
