I want to share with you the kindness of Alvoy to so many people and the friendship my husband George enjoyed with him. fishing on big river, upnorth 4 wheeling and day trips the two would go on. They are together again and enjoying their time. My prayers are with you at this terrible time. Gods blessing to the whole family. Enjoy all your memories

Alvoy was a kind, generous, principled man who worked hard and was a great worker for the church. We did many things together over the years and I was privileged to have him as a friend. He was a role model that folks should remember and point to as an inspiration in these troubled times. You, Marilyn and Bob together again....
