We have known Mike since he was in little league as a player and after as a young man and beyond he was always full of life and kind when you would see him. Our prayers and thoughts are with the family at this difficult time

My heart is broken for the entire Biland family! I just found out today, October the 10th. I had heard he was hospitalized due to COVID and my wife and I were praying for him every day. Mike worked for me as a carpenter and he was a damn good one. Loud sorta guy but had a heart of gold and was an honest man! He bragged about his children, all four of them constantly and rightfully so, they were all great kids! He was always talking about the outdoors and all the activities he and his children were involved in together! I am certain he is going to be missed dearly and he was such a strong young man that I was in shock just to hear he was hospitalized! I know there is a place in heaven for Michael, Jesus paid a huge price so we would all have a place in heaven one day. Until we meet again Mike, rest in eternal and everlasting peace.
