I went to school with Bonnie and she was a very nice person. I saw her a few years back and she still had that great smile. Condolences to her family!

Bonnie was an extended mother to myself and a few other old friends of mine growing up. She always opened her door to us and made us welcome. She vigilantly looked out for us when we were young and didn't know better. Her genuineness and loving heart were always a comfort to be around. She will be forever missed, never forgotten and now is reunited with her true love in heaven, Mark.
