Dave loved flying to Sun N Fun. His Cirrus is up front in the EAA Chapter 13 row at Lakeland. We'll miss his smile and enthusiasm for Aviation.

Anonymous sent a Blue Caribbean Bouquet to the Shirey family.

I am shocked this vibrant man has passed. He was a good customer and enjoyed hearing my corny jokes. He will be missed by all of us. Sincerely, Lora from the Voyageur

It's always so hard to lose one of the good ones. Dave was definitely a good one. He was always smiling, friendly, and very kind. I have known him almost as long as I can remember and feel very fortunate to have known him. I remember all the holidays and celebrations we all have shared with the Shirey and Delia families together. Both Tina and Dave were always so welcoming to me. Susan is more than a sister-in-law. Sister-for-life and sister-of-family are much more suitable. Dave's love for his family was very evident. His spirit and zest for life will live on in the hearts and minds of those he touched. God bless him. God bless Susan and Vince and all of his family. I will raise a glass for you Dave.
