I met Gary through ushering at St. Mary's. I always enjoyed ushering with him because all we talked about was baseball. He loved the Tigers and going to spring training. He was such a kind gentleman with a deep faith. Mary, my deepest condolences. Gary is now in God's loving hands.

I got to know Gary and Mary as neighbors for many years sharing many Christmas parties, birthdays, and talks around the grill. Both Gary and Mary were simply a joy to be around. I have no doubt that Marilyn was there to greet Gary into heaven and that they are both at peace. Sorry I can't be with you now Mary, but we will get together soon. God Bless you!

Many thoughts and prayers to Mary and family. Gary was a great friend and mentor to me at the Roseville Post Office.. I had the honor of DJ his and Mary's wedding 27 years ago. I can remember him telling me about the movie Field of Dreams and how great it was. I must have watched that movie 20 times because of him. He was such a caring and great person. It is such a great loss. I have to believe that he is up there in heaven playing baseball with the angels. The real angels. God bless and God speed brother.

I have been so blessed to have met Gary close to 40 years ago. We spent close to 30 years together working at the Roseville Post Office. I struggled to find words that would sum up a man and his life in simple terms. It came to me as I watched my daughter walk out the door to work. He was the kind of man every father hopes his little girl meets and marries. For me, that says it all. He was one in a million. The Native Americans say a man never dies as long as you speak his name. I will speak it often.

Gary was an inspiration and a Christian gentleman in every way. We met about ten years ago when we played softball together for St. Mary's. He always had a kind word for others and his Catholic faith was very important to him. He's surely up in Heaven now just waiting for the upcoming baseball season to begin. Thank you Gary for being a great friend and person.
