When I met Mary I was just her daughter's nephew's new girlfriend. But she and I clicked like the kindred spirits that we are right away! She was a unique kind of special woman and one of my favorite humans. I wish I had gotten to spend more time with her and will always cherish the time I had. She will be greatly missed.

" I got to know Mary Hart indirectly through her devoted daughter, Jennifer, whom I worked with at the State Department for more than twelve years. I also became familiar with Mary's husband, Dennis, and her father, Erwin Piechowiak. I very much appreciated their respect and friendship! I was deeply sorry for the untimely death of Dennis, more than six years ago, and now Mary, who battled cancer with fortitude and courage. My sincere sympathy and heartfelt condolences especially to Jennifer and Doug, and to all of Mary's loved ones. I'm truly sorry for their loss and grief. Sincerely, a friend of the family George Zarka
