Anna Jo Campbell lit a candle in honor of Julia.

Vince, Chris and families, Please accept my heart felt condolences. You were so blessed to have her for so many years. I remember going to her home with Chris and she kept after me the whole time to eat. Chris finally had to say, Ma, leave her alone. Such a lovely lady.

Cthris and Vince, Please accept my condolences for the loss of your mother. I got to see first hand the love and care given to her during the last years of her life. So much love and caring was provided your mother by such a loving family. May she rest in peace, and may you rest in knowing you were an important part of her life.
