Mike and Jan opened their home and hearts to so many of us. We had such great times at their parties but especially the fantastic breakfasts. Mike was an awesome wood worker and his basements were all so beautiful and fun. Always with a smile. Always ready to help. We will miss him terribly. RIP Michael. Sending hugs to Heaven and to Jan. Always in our hearts. ❤️

Uncle Mike. My most favorite memory was of you dancing with me. I had never danced the waltz, never knew how, but you led with such precision that I could easily follow. Such a lost talent. I haven't seen you in many years, but you will always have a place in my heart. Say hello to my parents, may they show you the ropes in Heaven.
