Mrs. Sue was a great bus driver for all three of our kids- she was most definitely one of their favorites! She comforted them when they needed comforting. She made them behave and called them on the carpet when they didn't! We loved her and hated to see her retire. We think of her often and will remember her forever. Sincere condolences to her entire family. Ron, Carol, Derek, Brett and Lauren Swantek

My deepest condolences and sympathies go out to the entire family. I didn't know Mrs. Sopfe personally. I do know her son and his family. And she had to have played a BIG role in why those people are some of the finest people I or anyone could ever know. God Bless and provide comfort for you all.
