Awww Kathy, you were always a great visit when I came to the complex. I always made sure to stop in and see your beautiful smile, chat and catch up even if for only a few minutes. Kota brought you so much joy as you did every path you crossed. Till we can chat again, my friend, watch over us and remind us to always be kind to one another ❤️ Big hugs to your family during this hard time! Love always (as you always told me) your "best" property manager 💜

We will miss your beautiful smile Kathy. It was a pleasure to work with you and call you my friend. Thank you for your friendship, your humor, and for taking me under your wing when I was new and afraid. We will take good care of Kota and we know you are looking down on us, protecting us until we meet again.
