Dwaine helped me through some of the darkest times in my life as a young soldier stationed in Germany during the late '70s. His confidence in me and his conviction in the Lord made him an easy man to follow and learn from. He was a fine father, a good soldier and a wonderful human. Although I hadn't seen Dwaine for over 40 years, I can still hear his voice and remember him enthusiastically telling me about the joys and effervescence of living a solid Christian life. You will be missed by many, old friend.

My father.. I've have been stuck on what the right things to say. I remember growing up and watching him work full time and go to school at night and he never seemed to complain. As an adult now.. I really don't know how he did it. His love for gummy candy I think did follow me into adulthood though. A gap will forever be in my heart. You are loved and missed.Love Kay Kay

Dwaine was a good friendly guy. I don't know anyone who didn't like him or appreciate his "keen?" sense of humor. Even his bad jokes were funny cause they were so bad. But seriously, Dwaine always wanted to know how you were doing. He cared about people and their lives. I will miss Dwaine.Tony Cataldo

Condolences to the entire family. Dwaine and I worked together for many years, and I liked and respected him very much. He was as honest and trustworthy as they come, passionate about doing the right thing, while injecting just enough of his unique sense of humor to keep things light. Rest In Peace, my friend. So sorry to hear about Dwaine's untimely death. He was a prince of a guy that could light up a room with his smile. A very loyal friend that never shrugged a task. A good man in a world where we don't have that many. I can't imagine anyone that knew you not feeling the loss. RIP my friend. I very much admired your company.
