To the Stein family, We were co-workers of Aggies at Huron Plastics, and she was a fun, cool lady to work with. Still have a picture of her dressed up for Halloween, sometime before 1986. Thinking of you at this time. Diane Delor Sharon Collins

Aggie was a good friend of my mothers. They went to the dances together many time and other social events. Will always remember taking Aggie & my mother with us to Branson Missouri. We had a lot of fun and especially remember the Duck Boat tour we took. Sympathy to her family she will be missed. Jerry & Mary Osterland

Our sympathies go out to all of Aggies family and friends, she will be greatly missed. We always had a good time and a lot of laughs getting together with Dad and Aggie to play euchre, or Skip-bo. Aggie was pretty sharp when it came to playing cards and she liked to "win". Usually Dad would fall asleep waiting for his turn at Skip-bo or he would miss a play and Aggie would start having a laughing fit and couldn't stop. A number of years ago we went on a hot air balloon ride with Dad and Aggie. She was pretty nervous about it, but she went. I think she said afterwards that she thought it was nice but didn't want to do it again. Aggie was a great companion to Dad and we always felt good knowing they were together.
