Sharon and I were Coworkers at the Postal Service's Call Center. I called her My Granny, she always had candy and goodies to share as a Granny would. After she retired we kept in touch, I just learned of her passing and I am very heartbroken about it. I would like to send my deepest condolences to her family, she was special to me and I know she was even more special to you.

I met Sharon at the Farmington Post Office; she was the best Box clerk there all her customers loved her! We became friends and had many fun times together. Most memorable was Bob Segers last concert at Pine knob we arrived early and hung out in the parking lot. One of Bob Segers roadies told us Bob Seger would only be performing for weddings! Shaon being the joker she was got on 1 knee and said let's get married! LOL! She was a great friend who I will miss but oh so glad she is out of pain, Until we meet again my friend

To Sue, John and families. Sharon was a really great person. She treated me and Yvonne like we were hers. We will never ever forget her. When your father passed she was a godsend! She made the process so much easier for me. And we will forever miss our Easter baskets and Christmas stockings she would mail to us. They were full of little things and we treasured them dearly. We both are better to have known her. And we will always miss and think of her often. The hands that once touched your face, the eyes that once looked into yours, now touch the face and look into the eyes of God! Rest in peace Sharon 🙏
