I met Dan at work he was a truck driver I was a mechanic which usually they don't get along too good , but in this case we got along great, one of the hardest working guys I've ever met, one of the best truck drivers I've ever met ,he would go out of this way for his friends in a split second, I know he did for me, down to earth hard-working just all around good people which is really hard to find nowadays ,he will be missed greatly and he loved his dogs Cooper and Max rest in peace Dan your friend always Dave Brennan (your mechanic).
