Our thoughts and prayers go out to Mark and the whole Sullivan Family. I will always remember when we first met Paul and how kind, funny, and welcoming he was. As the years went on, he remained warm-hearted and generous. Paul was a good man and will be missed by many. Again, we send our love and condolences. Paul was a great student when he put his mind to it. He loved to debate professors and point out their logical flaws. Some really hated that, but I liked Paul for it and his bigger-than-life personality. RIP Paul.
