Mary Ann was a gem. I always told her she was the kindest, sweetest, most thoughtful person I had the blessing of knowing. So many good memories on Kilkare. She always loved my sunrise photos and said she missed that view. Now, she will be able to see them everyday, high above from heaven. Rest easy in the arms of our Savior and with your soulmate, Del.

Grew up next door to the Tebeau family. Mary Ann was always so nice. Throughout the years whenever we bumped into each other she would always ask about the family. Friendly and smiling. Sincerest sympathy to the family on the loss of a lovely lady. Patti Gallagher

My deepest condolences to you, Stacy, Rick & Mary, & family. Mary Ann had a heart for others - and especially her family. It's been several years since we've worked together, however she was instrumental in the set up & continued growth of MRI at Port Huron Hospital - I'm certain it would not have been as successful without her. Prayers lifted for all of you.

Dear Stacy, I am so sorry about your mom. This news is still settling in and so very hard to believe! I really enjoyed spending time with her at Derek's graduation! With a big smile she handed me a whole tray of cupcakes to take home. I can still see that lovely smile! May God bless and comfort you and your family! Love, Kate Strohmaier

Mary Ann I have no words for how much your passing is affecting me. I remember the first day I walked into CWC. You created me with open arms. You will never know how much I needed a mothers love. I had just recently lost my mom. Your kindness meant so much. Over the years you had treated Calvin and I had part of your family. I will miss you always and our talks. 😭❤️. Love you
