I love you so much Aunt Val and I'm so sad I didn't get to see you before you left us. I tried, but Jen said you weren't strong enough or ready for visitors. You will always be missed. Hug mom and dad, grandpa and grandma, Uncle Terry, Uncle Kelly and Uncle Ray for me. I hope you will all watch over me until I see you again one day. Love, Heather Neil

A lifetime of memories. You tried to teach me how to swim at Metro Beach by tossing me in the water that was over my head...still afraid of the water! Riding on the handle bars of your bike which is crazy dangerous 😬. You were there for me through those crazy teen years. Babysitting Carl, Angie and Jenny. Dropping by your house just to raid your fridge. You and Carl driving me to Western and making sure I got all settled in. Telling me you knew Frank and I were perfect for each other. You were an amazing mother. I love you Val. XXOO....Robin
