"Our sincere condolences on the loss of Paul. Margie and I are praying for you and your family. Paul was an extraordinary, loving and caring man. Margie shared how Paul would rototill the garden for Al and it would look like sand. Al, truly enjoyed the lawn-mower trailer Paul gave to him; Al used-it daily with his travels around the property. Plus, he often used the chainsaw Paul shared with him. Most importantly, Al truly treasured Paul's friendship, we all did! Margie & Deborah Majeski ((❤️))"

My deepest condolences to Chris and family. Paul was a true friend over the years starting in elementary school and we shared many experiences such as working at the club and living in the same house in East Lansing when we attended MSU. I always admired his outstanding work ethic and success in the restaurant industry. Paul RIP you will be remembered as one of the nicest guys ever and one of the funnest to be around. Your generosity was special as well. The trip we took together to Augusta was amazing and no surprise you footed the whole bill.
