Uncle Roy always has had a fun spirit... I always loved the sound of his voice... his laugh too! Although as a family we've had our ups and downs.... Deep down we all love each other and can't help but hold a special place in our hearts for one another.. he was such a man's man.. his love for cars and motorcycles was apparent! He helped bring some of my favorite people into this world... he will live on through them... sending love and prayers to all of his friends and family ❤️🙏
