My condolences to Tom's family on your loss. Tom and I lived close to each other and he was one of my best friends in my high school years. I spent a lot of time on bikes and in the little boat he had. I was always nervous in it when we were on "big river". I saw Tom for the first time in years about 10 years ago when visiting my mother. He was still a great guy. I am sure he will be missed by many.
