So many wonderful years we worked together at the hospital. You were always the kindest, most generous and giver of TLC to all your patients. I will never forget our friendship and times we shared.....like going to see Barbra Streisand, plays, lunches, breakfasts, etc..... I am so glad you, me & Nikki were able to have one last lunch and afternoon visit to catch up and share some of our best times and memories. Forever the 3 Musketeers..... Until we meet again.... Peace be with you. Luv and hugs. Kathy Jones

We met Janet at Marwood, she was the dearest roommate with Betty. We were very fortunate to be a part of her life for the short amount of time we got to know her. She was so sweet, kind, and so very smart. We enjoyed bringing her sweets and the conversations we had. She remembered everything we would chat about and often made us smile during difficult times. We will hold a special place for her in our hearts. Our deepest sympathy to her family. Dave and Kim
