# Monica Ceckowski

OCT 10, 1945 - APR 21, 2024

**M**onica Ceckowski, age 78, of Fort Gratiot, went to be with the Lord on April 21, 2024. She was born in Dearborn, Michigan on October 10, 1945. Living in Detroit until moving to “the farm” in North Street in 1973 with her husband and two children and later moving to Port Huron in 1989.

Monica loved gardening. Her flower gardens were beautiful and the vegetable gardens were very abundant. She found joy spending time with her children, grandchildren and great grandson. Being very proud, supportive, generous, giving, understanding and loving-the best mother and grandmother she could be. She also loved her many dogs and birds. Doting on them with great love and care. Monica also enjoyed family dinners, going out for breakfast, classic Rock-n-Roll & Country music, playing cards, shooting pool, bowling, sitting in the sun and a good movie. Monica worked for many years at the St. Clair County Humane Society, which then became The Blue Water Area Humane Society. Retiring as director in 2013.

Monica is survived by children, Lisa (John) Lisecki of Port Huron and Randy (Stephanie) Ceckowski of Port Huron; grandchildren, Justin, Cody and Hailey; great grandson, Waylon; brothers and sisters, Mark (Patti) Simonetta, Sheila (Brian) Taylor, Kevin (Debbie) Simonetta, Charlene Simonetta, Shelley (Mike) Rumley, Stacie (Lance) Thorpe and Corey Simonetta. She will be dearly missed. Rest in peace Mom, Grandma and Sister. We Love You.

Monica was preceded in death by her parents, Rose Mary and Cosimo Simonetta and her brothers, Cosimo, Randy and Scott.

Per Monica’s wishes there will be no funeral. Interment will be in Rosehill Cemetery, East China Twp. on Thursday May 16th at 11:00 a.m. Celebration of Life luncheon to follow at the Voyageur Restaurant, St. Clair at 12:00 p.m. All family and friends are welcome.

I'm so very sorry to hear of your mom's passing Alisa. Your mom "Mrs. C" was my second mom while we were growing up in the country. I remember such great times being at your house and your mom turning the stereo up really loud listening to The Rolling Stones, Fleetwood Mac and lots of other Rock n Roll albums. Your mom would also make big wonderful dinners and invite me to stay. I always remember her saying, because I was so thin and ate A LOT, "one day your legs are going fill up". Well they did and threefold.

Monica was my backyard neighbor for many years and we had many a conversation over the fence. She took care of my little dog when it came time to put her down because I had such a hard time and couldn't be there. I still miss her birds singing on the deck when she would pull them out in nice weather. One of her birds would copy Monica yelling at her dog...She was caring and I thank her daughter for bringing her over when I had a tree incident because she wasn't getting around very well then. I was sorry to see she had to move due to her health but I thank her for the times we had spent "over the fence". Condolences to her family and may she fly over to the Rainbow Bridge and visit her many animal friends who will be glad to see her. Enjoy your wings, Monica

Thank you Jacquie. My Mom enjoyed being your neighbor. She loved living in that neighborhood.

In my Mom's obituary online and in the newspaper two sentences were left out "She also loved her many dogs and birds. Doting on them with love and care". Anyone who knew my Mom knows that!
