Mary is the mom of one of my very dear friends Steph and for as well as I know Steph I did not know Mary very well. However the very first Thanksgiving after my oldest daughter had passed away , my family was out of state and my husband was working so my other children and I would've been alone. Mary invited us over to her family's Thanksgiving and I will forever be grateful to her and Steph. My heart was overwhelmed with her kindness.. Prayers for peace and comfort to her daughters 🙏❤️
