It is with great sadness and regret to write that I am just learning of the passing of Pam. We were good friends in high school. In fact, I am the friend she went with to the Elton John concert at Olympia Stadium. We spent many hours in her room listening to Elton. I was just thinking of her as I was going through old memorabilia and came across the ticket stubs for the concert (we paid \$7.50 a ticket). Rest in peace my old friend "P".
