Our condolence to the family on such a painful loss. However, there is reason for hope. Jesus said "the hour is coming in which all those in the memorial tombs will hear his voice and come out." What a wonderful expectation!

Ernie was and will always be a really great guy. I didn't get to see him, or Joan very often since I moved. However, they will always be extended family to me and I'm sure to all of our friends. God bless all of you during this time and we send our love and prayers from Massachusetts. David & Jennifer Druzynski
