Linda had a wonderful impact on the four Tattrie girls while growing up. We spent many summers at our Opal Lake cottage, in the middle of the woods, swimming, playing games, hiking, and picking wild berries to eat. The beautiful memories of Linda will forever be with us all.

Joe & I want to extend our most sincere sympathy to the entire Beaker family as they say good bye to their oldest sister. My heart is sad as I remember Linda, always the big sister, the trail blazer in the family doing things that we weren't old enough to do yet. All of you will be in our prayers as you adjust to her absence. May God bless each of you with mutual support and peace.
