Many memories with Dave. Cruising in the Monte Carlo, hanging out. In the past year was able to catch up with a call and Facebook messenger. I'm glad I had that opportunity. Condolences to Kim and all of Dave's family. God bless!

Dave was a great friend and mentor growing up. As time passed and life took over we didn't talk very often. However when we did communicate it was like time had passed but our friendship was still there. I have so many memories and coming of age stories that I will never forget. Dave will truly be missed and I'm still having a hard time believing he's gone too soon. My condolences to his wife Kim, sister Diane and the rest of his beloved friends and family.

Dave was a great friend for 50 years and we shared so many "firsts" I don't think I could list them all. Although I'd be remiss if I didn't mention the Genesis June 1980 Duke concert. It's an irreplaceable loss and my heart goes out to Kim and all of his family and friends.

Dave was the best friend one could ever have or hope to have. It will be impossible for me to ever listen to Genesis, Peter Gabriel, Rush or Pink Floyd without thinking of Dave. He will be missed daily. There is void now...
