I met Paula back in 1997 , have been grooming her beloved dogs since then. She loved all of her dogs like they were her children. Peace to Jeff, family and friends .

To Paula's family—Paula hired me at TV-5 when I was 19 years old and she gave me an opportunity in sales and believed in me and was my cheerleader. She had a huge heart and we shared many laughs and shopping trips to Jacobson's. She then convinced me to follow her to Comcast where I ended my successful sales career after 42 years. May her love for family and friends live within all your hearts and know she had a positive influence on my career. Wishing you all comfort and strength during this difficult time. Janet Page ❤️

I have so many wonderful memories of Cousin Paula, as I called her. ☐ She was beautiful & always great to me, She was also very influential in my life when I was a teenager too. And she usually had me babysit Richie, Greg & little Kristen at the time. ☐ I will miss her truly. ❤️ 🙏
