Such a kind, sweet woman. For as long as I have known Grams she never failed to put a smile on my face each and every time I saw her. She had a heart of gold. I remember as Kati and I were younger, she was always good at "keeping us in check," and she had the sweetest way of doing it. I will forever be grateful to her for all of the wise insight and advice she shared with me. Grams, you will never ever be forgotten. You will forever hold a very special place in my heart, and you will always be missed.

What a blessing to have known Mae. I've only known this wonderful lady for a short time, but what an inspiration and impact she has left on me. After meeting and knowing her grandson Walt and her son Joe (Dad) it's no wonder I'm drawn to this special family. And Mae is at the very root of creating such a miracle. I know she holds many, many fond memories to those who have had the great fortune of being in her life for a long time, but her honesty, true happiness, sincerity, strength and faith have touched my very core and I thank God for her. She has made me a better person. What greater tribute can one do with one's life than spiritually change the heart and soul of another! She will be missed that's for sure, but never, ever forgotten. One of the most precious individuals that I have ever had the opportunity to know and love. She was an inspiration to many and I can only hope to a fraction as good of a person as she was -- I will forever be grateful to be a part of her life. Grams I will miss you dearly but knowing you are in a better place and with those who have passed before you is comforting- Cec
