My sympathies to Pat's family. I worked with Pat in the mid-70s. He was a real gentle giant. I'll never forget the summer nights going to the rock and roll bars. Rest easy Pat. Steve Kulmatycki

My deepest & sincerest condolences to the entire Skoczen family. This news of the passing of Patrick has left us all shocked and numb. I have had the pleasure and privilege of calling Pat a dear friend who was like a brother. We met in early childhood and have been great friends our entire lives. He was full of fun and wit and vigor and had an infectious laugh & smile. He appreciated the simple joys of life, especially the great outdoors. And his love of animals was exceptional! His horses and dogs meant the world to him. You will forever be greatly missed!! Rest in peace my special friend!!
